## Membership Price Increase 2020

The Hub4Health Board of Management and staff would like to thank all gym members for their ongoing support of our programs and services. We aim to keep our gym membership fees as low as possible for members while ensuring sustainability of our program.

In an effort to keep in line with changes to the cost of service delivery there will be a small increase as of **1st January 2021**. This fee increase has been kept to a minimum and will be reviewed again in January 2021.

Members will be liable for the new fee rate upon payment of a new or renewed membership from the **1st January 2021**.
